Submission Comments:	
----------------------	--

*By clicking the "Submit Data" button below I am stating that the above data is correct and accurate to the best of my knowledge and that I voluntarily submit the above data for entry into the Berner-Garde database.*

*I authorize release in accordance with Berner-Garde policies, including affected phenotypes at the time I owned the dog(s) and I authorize a Berner-Garde Site Operator to contact me for data validation purposes.*

*I understand that phenotypes that were diagnosed after I relocated a dog are treated as "hearsay" information until verified with the current owner.*

Please direct any questions or comments about this form to [filemanager@bernergarde.org](mailto:filemanager@bernergarde.org).
